

The logo of the Indian Institute of Technology Delhi is a circular emblem with a scalloped orange border. Inside, there are concentric circles. The outermost ring contains the text 'भारतीय प्रौद्योगिकी संस्थान दिल्ली' in Hindi at the top and 'INDIAN INSTITUTE OF TECHNOLOGY DELHI' in English at the bottom. The center features a stylized orange lamp (diya) with a flame, flanked by two lotus flowers. Above the lamp is a small 'Om' symbol.

POST-EXPERIMENT QUIZ

1. What is the advantage of keeping the meter reading constant and varying the attenuation?
2. Explain the observed differences between the E – and H-plane patterns.
3. How do the observed beamwidths compare with theoretical values?
